WEST GOSHEN TOWNSHIP REGIONAL STORMWATER FEASIBILITY STUDY COMMENT FORM

West Goshen Township recently completed a Regional Stormwater Feasibility Study through our consulting engineer, Carroll Engineering Corporation. The results were presented at the June 20, 2023 meeting of the Board of Supervisors. At this time, the Township would welcome feedback from the community on the work completed. The study may be accessed in the **Stormwater & Clean Stream Management** section of the West Goshen Township website. Please send comments to stormwater@westgoshen.org. If you have any pictures, please include those as well as they would be helpful for future planning.

RESPONDENT INFORMATION:

Name: _____

Address: _____

Study Area Where You Are Located (1-16): _____

Email: _____ Phone: _____

Signature: _____ Date: _____

COMMENTS

Please use additional pages if necessary and attach any pictures that you wish to include. These will be forwarded to Carroll Engineering Corporation for documentation.
